A teal icon depicting a bar chart with a dollar sign (\$) at the top, symbolizing high market pressure or cost.

A horizontal banner at the bottom of the page. On the left is a teal icon showing three stylized human figures standing side-by-side. To its right is a teal icon of a conveyor belt with four white bottles with blue caps moving along it. The background of the banner is dark teal. To the right of the conveyor belt, the text "prodotti e ricette" is written in a light teal font.

The illustration depicts the life cycle of a plastic bottle. It begins with a small, clear plastic bottle on the left, which is shown being recycled into a larger, yellow plastic bottle on the right. Between these stages are three circular arrows indicating the recycling process: one arrow above the small bottle, one arrow below the large bottle, and one arrow between the two bottles.

I sei pilastri della nostra soluzione MOM

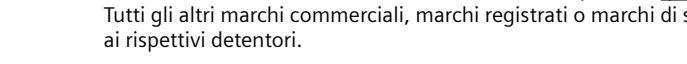

Maggiore sostenibilità

- ✓ Massimizzazione dell'OEE
- ✓ Migliore qualità dei prodotti

A close-up photograph of a person's hand with dark skin and orange-painted fingernails. The hand is gripping a white, cylindrical container, possibly a can or bottle, which has some faint markings on its side. To the right of the hand are two large, solid teal-colored geometric shapes: a parallelogram and a trapezoid, set against a dark, solid background.
